On July 15, 2009 (the “Closing Date”), Lazard Group LLC (“Lazard”) established a Chicago-based private equity business with The Edgewater Funds, a private equity firm based in Chicago, Illinois (“Edgewater”), through the acquisition of the management vehicles of Edgewater. The acquisition was structured as a purchase by Lazard of interests in a holding company that owns interests in the general partner and management company entities of the current Edgewater private equity funds.

The aggregate consideration to be paid to the sellers in the transaction consists of (i) a cash payment on the Closing Date, (ii) an initial stock payment, subject to transfer restrictions and forfeiture, on the Closing Date of 1,142,857 shares of Lazard Ltd’s Class A common stock (“Lazard Stock”) (such shares, the “Initial Shares”) and (iii) additional stock payments, subject to earnout criteria and payable over time, of up to 1,142,857 shares of Lazard Stock (the “Earnout Shares”).

The Initial Shares are subject to transfer restrictions and forfeiture provisions that lapse only upon the achievement of certain performance thresholds for the next Edgewater fund that must be met by the second anniversary of the Closing Date. The Earnout Shares will be issued and paid only if certain performance thresholds for the next two Edgewater funds are met.

The issuance and payment of the shares of Lazard Stock to the sellers in the transaction is exempt from registration under Section 4(2) of the Securities Act of 1933, as amended (or regulations promulgated thereunder), as a transaction by an issuer not involving a public offering.
