Item 1.01 Entry into a Material Definitive Agreement.

The information set forth in Item 3.03 below is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

On May 15, 2008, Lazard Ltd issued an aggregate of 14,582,750 shares of its Class A common stock as part of the scheduled settlement of the purchase contracts forming a part of its 6.625% Equity Security Units (the "ESUs"). Of the shares issued, 4,999,800 shares (the "Private Shares") were issued to Natixis S.A. in a transaction exempt from the registration requirements of the Securities Act of 1933, as amended (the "Act"). The aggregate consideration paid for the Private Shares was determined pursuant to the terms of the ESUs and totaled \$150,000,000. The issuance of the Private Shares is exempt from the registration requirements of the Act pursuant to Section 4(2) thereof because (i) neither Lazard Ltd nor any person acting on its behalf engaged in any form of general solicitation or general advertising in connection with the sale of the Private Shares, (ii) Natixis S.A. is a sophisticated investor and (iii) Lazard Ltd understands that Natixis S.A. did not purchase its ESUs with a view towards, or for resale in connection with, the public sale or distribution thereof.

Item 3.03 Material Modification to Rights of Security Holders.

On May 15, 2008, Lazard Group LLC, an indirect subsidiary of Lazard Ltd, and The Bank of New York, as trustee (the "Trustee"), entered into an Amended and Restated Third Supplemental Indenture (the "Supplemental Indenture") to the Indenture dated as of May 10, 2005, between Lazard Group LLC and the Trustee, which governs the terms of Lazard Group LLC's \$437,500,000 aggregate principal amount of 6.120% Senior Notes initially due 2035 (the "Notes"). The Supplemental Indenture, among other things, resets the maturity of the Notes to May 15, 2010 and resets the interest rate on the Notes to a rate of 4.00% per annum.

The above summary of the Supplemental Indenture is qualified in its entirety by reference to the complete terms and provisions of the Supplemental Indenture which is filed as Exhibit 4.1 to this Current Report on Form 8-K.

Item 8.01 Other Events.

On May 15, 2008, the previously announced remarketing of the Notes was consummated and the purchase contracts forming a part of the ESUs were settled. As a result, (i) Lazard Ltd issued an aggregate of 14,582,750 shares of its Class A common stock to the holders of its ESUs for \$437,500,000, (ii) substantially all of the Notes were remarketed with the reset terms described above, (iii) Lazard Group LLC purchased all of the remarketed Notes for \$439,675,440 and (iv) the ESUs were retired.

Capitalized terms used but not defined in this Note shall have the respective meanings described in the Indenture.

The Notes are issuable only in registered form without coupons, in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series so issued are exchangeable for a like aggregate principal amount of Notes of a different authorized denomination, as requested by the Holder surrendering the same.

If a Special Event shall have occurred and be continuing (as of the time of giving notice of redemption), the Company, at its option, may redeem the Notes, in whole but not in part, upon payment of the aggregate Special Event Redemption Amounts.

The Notes shall constitute the senior, unsecured and unsubordinated obligations of the Company and shall rank equally in right of payment with all existing and future senior, unsecured and unsubordinated obligations of the Company.

No sinking fund is provided for the Notes.

In the case of an Event of Default described in Section 6.01(5) or 6.01(6) of the Original Indenture, all unpaid principal of and accrued interest and Additional Amounts on the Notes then Outstanding shall be due and payable immediately without any declaration or other act on the part of the Trustee or the Holders of any Notes. In the case of all other Events of Default, if such Event of Default shall occur and be continuing, the principal of all of the Notes, together with accrued interest to the date of declaration, may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of not less than a majority in principal amount of the Securities at the time Outstanding and affected thereby. The Indenture also contains, with certain exceptions as therein provided, provisions permitting Holders of not less than a majority in principal amount of the Securities of any series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note or such other Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless certain conditions have been satisfied. The foregoing shall not apply to any suit instituted by any Holder of this Note for the enforcement of any payment of principal hereof, or any premium of interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable on the Security Register upon surrender of this Note for registration of transfer at the Corporate Trust Office of the Trustee or at such other office or agency of the Company as may be designated by it for such purpose in the Borough of Manhattan, The City of New York (which shall initially be an office or agency of the Trustee), or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Security Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees by the Security Registrar. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to recover any tax or other governmental charge payable in connection therewith.

Prior to due presentation of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner thereof for all purposes, whether or not such Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No recourse for the payment of the principal (and premium, if any) or interest on this Note and no recourse under or upon any obligation, covenant or agreement of the Company in the Indenture or any indenture supplemental thereto or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, officer or director or subsidiary, as such, past, present, or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of consideration for the issue hereof expressly waived and released.

This Note is a Global Note and is subject to the provisions of the Indenture relating to Global Notes, including the limitations in Section 2.08 of the Original Indenture on transfers and exchanges of Global Notes.
